

## Welcome to Rye, New York

*Rye Marina*

This flourishing residential community offers an abundance of natural and cultural resources unrivaled by larger cities. Residents enjoy a close knit, small-town setting reminiscent of a New England village, where traditional charm blends with modern living. The tranquil city is characterized by miles of magnificent shoreline, scenic vistas, rolling landscape and charming, tree-lined streets, while offering a lively downtown on Purchase Street, lined with upscale shops and restaurants.

The residential communities of Rye offer many options that include majestic waterfront estates with sweeping views, stately Tudors, historic Colonials, ranches and new construction. There are also cooperative and condominium complexes, some with beach access and some located in waterfront townhouse communities.

### Education

The Rye City School District's mission is "to educate students to develop their individual capabilities for a lifetime of

learning and for responsible participation in a diverse and changing world." In keeping with that purpose, Rye's three elementary schools, The Osborn School, The Milton School and The Midland School, offer a challenging, academically rigorous and supportive environment for all of their students.

Rye residents are served by 2 School Districts, Rye City and Rye Neck. The Rye area, south of Rye Golf Club, is served by the Rye Neck School District. Rye Neck High School and Middle School are on one campus also located partially in the City of Rye. The Rye Country Day School and Resurrection School are also in Rye.

## Recreational Facilities

Rye offers its residents a choice of many private country clubs - The American Yacht Club, Shenorock and Coveleigh located on Milton Point. Additionally The Manursing Island Club and Westchester Country Beach Club are all located on the pristine beaches of Long Island Sound with panoramic water views; and The Apawamis Club, located in town and offering

Rye Art Center

Whitby Castle

Playland Park

superb dining, an excellent golf club, pool, tennis, squash and paddle tennis courts. In addition to these private clubs, Rye Residents can enjoy The Rye Golf Club, purchased for the use of Rye residents, with its 18 hole golf course, putting green, Olympic-sized pool and indoor and outdoor dining facilities. In addition, Rye City offers its residents the Rye Marina which provides docking and mooring for about 350 pleasure boats and the Rye Town Park and Beach for a relaxing time for a picnic or frolicking and sunbathing right on the beach. Rye is also home to the Playland Amusement Park, bordered by the beaches of Long Island Sound and offering an exciting array of brightly lit, multi-colored amusement park rides on Summer evenings and three skating rinks for winter activities.
